To the Board of Ethics:

My name is Ronald Fabacher, and I served as Police Juror for District 2 during the 2016-2020 term. During my time in office, I regularly maintained compliance with the annual financial disclosures that were required. I consider myself, along with my immediate family, very fortunate to not have our health severely compromised by this recent COVID-19 outbreak. That was not the case for so many seemingly healthy people dear to me. I do attribute my timely delinquency in filing the 2019 financial disclosure to the chaos this Pandemic has inflicted upon us all. I certainly do not expect any exceptions to be made on my behalf, but what I do ask is that you please consider waiving the \$400 late fee that I has assessed as a result of my laxness during this troubling time. As you probably already know, I am nearing the age of 70 and living on a fixed social security income monthly. If for whatever reason the penalty cannot be waived this one time, I would be grateful for your cooperation in allowing me ample time to make payment arrangements.

With kind regards,
